MESSAGE TO THE RESIDENTS

Patrick B. Green, Mayor

I'd like to thank the citizens of Normandy for electing me as Mayor. I look forward to working with the City Council, administrative staff and Interim Police Chief to continue to move our city forward. We have a great opportunity to open new doors, take advantage of a lot of new progressive ideas, and set professional standards that reflect integrity and accountability.

Over the next month, the City Council and I will begin to look at a preliminary budget set forth by the City Administrator and staff. As the City Council, we are also working together along with all levels of City staff on ways to improve our City's appearance and public safety. Compared to last year, **crime across our community is down 25%**. It's one reflection of how great the City of Normandy is! As Mayor, I encourage citizens to take the time to introduce themselves and to thank the officers for the great job they do on a daily basis.

This past Saturday (July 11th), Councilmembers Delrita Futrell and Tony Evans from Ward 2, spearheaded a street cleanup on San Diego with the help of Rodney Jarrett, the City's Public Works Director. Neighbors came out to help cut and remove foliage and to clean up litter. This team is setting a new path to revitalize one of our City's historic neighborhoods. We will keep you informed about other projects planned by Councilmembers in your Ward.

The Great Streets project has received \$1 million dollars in Federal Stimulus money to begin the preliminary design, construction and engineering plans for Normandy's business corridor on Natural Bridge Road between the main entrance of UM-St. Louis and Lucas and Hunt Road. We look forward to keeping you up-to-date on this revitalization project. In addition, we hope you took pride in the display of American flags decorating Natural Bridge during the Independence Day holiday. It is a pleasure to honor those who have given their lives and served our country in the military and civil service. We want to give a shout-out to Jim Schulte of Schulte Hardware for supplying a better quality flag and pole at a better price and to Rodney and Billy for putting up the flags on a really hot day.

The City Council and I will focus our efforts on setting goals that the Council can work on as a team: economic development, beautification, improving code enforcement; infrastructure repairs, public safety, and encouraging pride in our community. We will also create procedures and processes that are accountable and transparent.

I encourage you to continue sharing your ideas with me and I look forward to your suggestions and comments.

PUBLIC WORKS NEWS

WOOD CHIPS/MULCH: Wood chips from our limb-chipper and mulch materials are available free of charge to all Normandy residents that wish chips or mulch. Bring a container or pick-up truck to the City’s Public Works Facility 5800 Bermuda Road between 7:00 a.m. and 3:00 p.m. Monday through Friday.

TRASH DUMPSTER: The City offers a 2-cubic yard trash dumpster for large household clean-ups. Residents having a need for a trash dumpster may apply in person at Normandy City Hall. Payment is due at time of application. Dumpsters are issued for a 7-day period on a "*first-come, first-served*" basis. This service has a **fee of \$14.00 for each dumpster empty**. Please call the Sanitation crew at (314) 486-2182 if you finish with the dumpster prior to the seven-day time period. This will **assist** our sanitation department in more efficiently delivering trash dumpsters to other residents. The Environmental Protection Agency & the Missouri Department of Natural Resources regulate collection of items discarded into dumpsters, see application for details. Please do not place items that we do not collect into the dumpster.

Recycling Carts: TIPS FOR HOUSEHOLD GARBAGE COLLECTION

- Lids **MUST** be kept closed on rollout trash carts. {*Object is to keep animals, birds, insects and rain water out of rollout cart and to keep trash & debris inside of cart.*}
- Plastic bags may be used for household garbage but **ONLY** when used inside of your rollout cart or trash can.
- Roll-out carts **MUST** be used for your regular trash collection and trash cans must be used for heavy-pick-up collection. Trashcans will not be collected on your regular trash day, only roll-out carts. Carts and cans must be placed out for collection by 7:00 a.m. on proper collection day.
- The new rollout carts have serial numbers, but you may mark your address and/or name on your trash containers for identification in case carts, cans, or bins get lost.
- Reminder about Trashcans: Normandy City Code Section 235.100 states “*Solid waste containers which are not approved will be collected, together with their contents, and disposed of*”.
- Limit items placed in recycle bin to recycling items. Please do not store food or household trash in your recycling bin.

NEIGHBORHOOD WATCH MEETINGS

EVERY FIRST MONDAY OF EACH MONTH AT 7:00 P.M.

AT CITY HALL, 7700 NATURAL BRIDGE ROAD

(unless holiday is on first Monday)

PUBLIC WORKS NEWS

WINTER SERVICE SCHEDULE 2008-2009

Our Public Works and Sanitation employee’s normal starting schedule is at 7:00 a.m. Monday through Friday until May 22nd, 2009. Please have all items for collection set out by 7:00 a.m. on your collection day. Please place all roll-out trash carts, recycling material, bundles of limbs and yard-waste bag(s) to be collected at the curb on proper day. In an effort to assist employees in beating the summer heat, **effective Tuesday, May 26th, 2009** the sanitation crew will begin work at **6:00 a.m.** the day after the Memorial Holiday. Please have your trash or recycling material at curbside by 6:00 a.m. instead of 7:00 from Memorial Day until Labor Day.

HOLIDAYS: There are 8 weeks in a calendar year that contain 9 holidays; New Year’s Day, Martin Luther King’s Birthday, President’s Birthday, Memorial Day, Independence Day, Labor Day, Thanksgiving Day together with the Friday after Thanksgiving Day and Christmas Day. During a week containing one of the above Holidays, our crew will work a four-day week. Regardless of what day of the week the holiday falls on, the collection procedure is the same:

- ☐ The first work day of that week, our crew will provide service to Ward 1...
- ☐ The second work day of that week, our crew will provide service to Ward 2...
- ☐ The third work day of that week, our crew will provide service to Wards 3 and to Ward 4...
- ☐ The fourth work day of that week, our crew will provide recycling collection to all four Wards.

The exception to the rule will be Thanksgiving Holiday when there will be NO recycling collection on the Friday after Thanksgiving. Crews will provide service to Ward 1 on Monday, Ward 2 on Tuesday & Wards 3 & 4 on Wednesday providing NO heavy-pick-up service or recycling service for that holiday week.

APPLIANCE COLLECTION: Appliances will be collected on Wednesday of every week that does not contain a holiday. Set items at curbside for collection by 7:00 a.m. (6:00 a.m. after May 26th, 2009). Do not set appliances at curbside any earlier than Tuesday evening (the evening before Bulky-Item collection). There is a **\$10.00 charge for each** appliance set out for collection. These items must be pre-paid at City Hall. Residents will receive a collection sticker to be placed on each appliance to be collected. Material set out for collection **without** a sticker is subject to receive a summons. Missouri Senate Bill 530 prohibits the disposal of appliances in landfills.

YARD WASTE COLLECTION: Yard waste will be collected on your regular trash collection day. Yard waste (**in paper yard waste bags only**) may **not** be set out any other day of the week. Normandy residents may set out yard waste to be collected at curb in biodegradable Kraft paper yard waste bag(s) or piles of bundled limbs only. For smaller items or piles, residents may use brown paper grocery bags for disposal. **Trashcans are no longer accepted for yard waste.** These Kraft bags are readily available from vendors everywhere. Limbs that are set out for yard waste must be bundled into piles that are 12-inches maximum in diameter and 4-ft maximum in length. **Yard waste is defined as berries, grass, gumballs, leaves, twigs, small branches and weeds.** Do not co-mingle yard waste & household garbage in same container. Due to tight Environmental Protection Agency & the Missouri Department of Natural Resource regulations, yard waste in plastic bags, plastic of any kind, and/or any items that are not yard waste **will not** be collected as yard waste. Missouri Senate Bill 530 prohibits the disposal of yard waste in landfills. Please keep yard waste and household trash separate.

LIMB-CHIPPING SERVICE: During winter months all material for disposal must be cut into 4-ft. lengths and tied into bundles and placed at curb for collection. During the spring and summer months (after April 6th 2009), residents having limbs and branches for disposal may set their material at curbside for our weekly collection. Crew will begin the collection on Monday and chip limbs until the entire city has been serviced. There is no charge for Normandy’s limb chipping service which is designed to assist Normandy residents that service their own trees. All limbs and branches for disposal may be placed at curbside for the limb chipper. Limb chipping service **will not operate** after October 9th, 2009 (during leaf-vacuuming season).

LEAF-VACUUM SERVICE: There is no charge for Normandy’s leaf-vacuum service which operates during the fall and spring months and is designed to assist Normandy residents with leaf disposal. Residents may rake leaves to be collected to the curb, **please do not rake leaf debris into the street.** Our leaf-vacuum service will provide leaf collection on a regular basis until April 4th, 2009 when it will stop until October 2009.

HELP WANTED

HELP WANTED: The City of Normandy’s Park Board Committee is looking for one dedicated volunteer to fill a vacant position on a six member committee. This committee meets once a month as well as providing numerous services for the city. Anyone interested is requested to contact Pam Rogers, City Clerk at 314-385-3300 ext: 3010.

HELP WANTED: The City of Normandy’s Park Board Committee is looking for volunteers to assist with various projects from providing maintenance to plants in local area planters, concession stand duty for league baseball games, and many other small but very important community-oriented projects. Anyone interested is requested to contact Pam Rogers, City Clerk at 314-385-3300 ext: 3010.

HELP WANTED: The Department of Public Works has one job opening for a Laborer/Apprentice Mechanic. This is a 40-hour weekly position with emergency call-in duty. A valid Missouri class “B” CDL is required. Base pay is dependent on qualifications with full benefits. Applications are available at Normandy City Hall, 7700 Natural Bridge Road, Normandy, Missouri 63121. Open until position filled. EOE
